Health and Safety – Corinne reported a child got his finger caught in a toilet door at the bowling competition – broken finger. Hollywood bowl had a next to useless first aid kit & below standard first aider on site. Top of child's finger was hanging half off, had to have an operation. The mother has taken up the case with Barnet health authority who are dealing with the faulty door & poor equipment. All has been reported to Gilwell.

A.D.C. leaders report – We had a meeting with Paul & have started doing visits. Please, if anyone does have a problem please ring one of us to see if we can help.
