Minutes approved for last meeting.

Sadly Mary Draper has decided to stand down as our Minutes secretary as Bob Draper has been diagnosed with lung cancer. We would like to thank her for all her hard work over the years.

Health and Safety - No issues to record.

ADC's Report.

Census Figures - Cub figures are down by 18 cubs this year. 323 cubs this year compared to 341 in 2016

You Shaped Evening - Enjoyable and useful evening. Most popular suggestion for new activity was Jump Giant (a new trampoline park in Enfield). Proposed date Thursday June 15th details to follow.

Connect 4 - A good evening which was well attended. 19th Enfield were winners and runners up.

County Cub Quiz - No groups interested.

Monopoly Run - 6 groups interested, to contact Martyn for more information. All groups starting and finishing at 8th Enfield HQ.

St Georges Day Parade - We have been told that there is a church service at the Upper Grammar School so we cannot use the playground to muster. It has been suggested that we meet an hour later so we can still use it. Details will follow. We will finish at the Portcullis car park opposite the Civic Centre. Arrangements have been made for better control at the finish so that the younger members of the parade will be at the front and able to see what is going on and also enable better crowd control. This is to be done by members of the district team.

County Chess Competition - Sunday 7th May 2017 2pm - 5pm venue tba. Please let Gina know if you have any Cubs who would be interested, even if you only have one!

County Sixers and Seconders Day - Saturday 13th May - Sunday 14th May 2017. See insert for details.

5 Aside Football - Saturday 6th May 2017 at the Queen Elizabeth Stadium Donkey Lane. Registration 1pm. The district will supply footballs of the correct size. We are going to revise the rules and send a copy out to everyone.

County Outing to Chessington - Sunday 24th September 2017. Please let Gina know if you weren't at the meeting and you are interested as we will need to book coaches if enough cubs are going. So far we have seven groups interested.

Next Meeting - Thursday 11th May 2017. We intend to book archery and at least one other activity at Tolmers for a fun evening. Starting at 7pm and finishing with a short meeting at the end.

Addenda – Further to St Georges Day Parade. The school would not agree to us meeting an hour later so we are meeting from 2pm outside the registry office in Gentleman's Row.
